27 ORIGINAL POSTCARD PHOTOS OF WW1 GERMAN SOLDIERS WEARING PICKELHAUBES AND SHAKO'S

27 original postcard photos of WW1 German soldiers wearing pickelhaubes and shako's. Various states represented, guard and marines, ersatz types etc. Also two photos wearing capts; one death heads hussars, the other looks like Friekorps. A most interesting photo of soldiers on parade with a variety of pickelhaubs with a mix of Prussian and guard helmet plates and a mix of leather helmets and ersatz; felt and tin types both black painted and field grey. Some of the photos posted with writing to reverse.
