

**RARE WW1 PHOTO OF TOP ITALIAN FIGHTER ACES BARACCA AND RUFFO WHO HAD 54 VICTORIES BETWEEN THEM**

Superb rare 13.5 x 8.5cm WW1 photo of Italy's highest and 5th highest scoring Aces; Francesco Baracca with 34 victories and Fulco Ruffo di Calabria with 20 victories. In the background is a crashed aircraft, presumably one that was downed by one of them or one of their shared victories; they shared several.

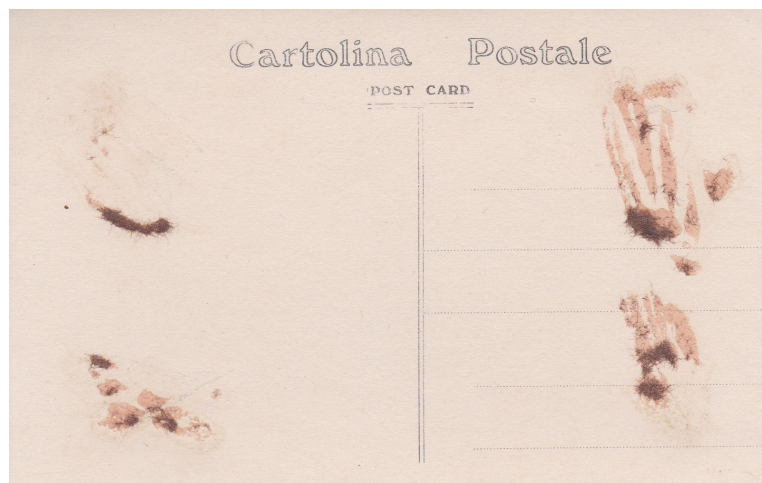

Photo with minor traces on reverse where taken from an album or such.
