

**IMPERIAL PRUSSIAN PILOT BADGE IN SILVER PLATED BRASS**

Imperial Prussian Pilot badge in silver plated brass

Non maker marked but almost certainly by the firm Junker

Height – 71.77 mm

Width – 45.83 mm

Weight - 14.58 gram

Very similar if not identical to the badge pictured on Page 192 of Carsten Baldes book  
'Aircrew Badges and Honor prizes of the Flying Troops from 1913 to 1920'
